# SPENCER<sup>®</sup>

## THE MONKSTER MASH -PUMPKIN ALE-

A red-amber ale, the Monkster Mash is brewed with real pumpkin and a touch of spice.

Gentle carbonation animates the rounded mouthfeel and it closes clean with a smooth finish, 5.2% alc./vol.

We hope you have as much fun with this limited-seasonal as we did when creating it.

Remember to pair with family and friends!
